Research Progress

1) Advising Session Grade: Yellow: Some Progress

2) What did they do well?

Collected excellent data sources from external parties. Excellent organization and prioritization of references. Using agile workflow by formulating methodology while in the research phase.

3) What needs work with suggestions on how to improve?

Gather the remaining references. Create a skeleton/outline of Chapter 2 and allocate items in your reference list to the appropriate section.

Start looking at how you might fuse your multiple data sources. Normalize/consolidate common variables. We can discuss variable rejection in the next session.

Look at what useful information we can extract from the initial Excel DES simulation.

Become more familiar with MATLAB/Simulink.

4) Is there any feedback from prior advising sessions that is not addressed or that the student does not have a plan to address? No

5) Did the advisee miss the meeting or fail to send their presentation? No

6) Did the advisee display inappropriate behavior or ignore advice? No

7) Any Additional Comments?
